ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On March 2, 2024, American Airlines, Inc. ("American") entered into definitive agreements with Airbus S.A.S. to purchase 85 Airbus A321neo aircraft, with options to purchase up to an additional 75 A321neo aircraft. Additionally, on March 4, 2024, American entered into definitive agreements with The Boeing Company to purchase 85 Boeing 737 MAX 10 aircraft, with options to purchase up to an additional 75 737 MAX 10 aircraft. In addition to its order of incremental aircraft, American converted 30 of its existing firm orders for 737 MAX 8 aircraft into firm orders for 737 MAX 10 aircraft. The order of Airbus A321neo aircraft extends American's existing delivery stream of A321neo aircraft, with deliveries under the new order expected to commence in 2027 and continue into the next decade. American anticipates commencing Boeing 737 MAX 10 deliveries later this decade, with deliveries expected to continue into the next decade.

ITEM 7.01. REGULATION FD DISCLOSURE.

On March 4, 2024, American issued a press release announcing its entry into the aircraft purchase arrangements described in Item 1.01 above, as well as the entry into a definitive agreement with Embraer S.A. for the purchase of 90 Embraer 175 regional aircraft, with purchase rights for an additional 43 Embraer 175 aircraft. Deliveries of Embraer 175 aircraft under the new order are scheduled to commence in 2025 and to continue through the end of the decade. The Embraer 175 aircraft will be operated by American's wholly owned regional affiliates. The orders are part of American's continued investment to expand premium seats across its narrowbody and regional fleets and support the long-term strength of the airline's domestic and short-haul international networks. After giving effect to these orders, American expects to remain within its previously announced guidance for capacity and capital expenditures. The press release announcing these orders is furnished as Exhibit 99.1 to this report.

After taking into account the orders described in Item 1.01 and this Item 7.01, American has definitive purchase agreements for the acquisition of the following new aircraft:
