Offer Letter with Mr. Lane

On February 15, 2024, Olin signed an offer letter with Mr. Lane (the "Offer Letter"). The Offer Letter provides that Mr. Lane will serve as Olin's President and Chief Executive Officer from and after the Effective Date, reporting solely to the Board. The Offer Letter further states that he will be appointed to the Board effective as of the Effective Date, and that it is expected that he will be elected to the Board at Olin's 2024 Annual Meeting of Shareholders. Pursuant to the Offer Letter, Mr. Lane will receive (a) a base salary at the rate of $1,100,000 per year, (b) a 2024 annual target incentive opportunity pursuant to Olin's Short-Term Incentive Plan equal to 130% of annual base salary (with a maximum amount equal to 200% of target amount) prorated from his start date, and (c) subject to the approval of the Compensation Committee of the Board, a 2024 annual long-term incentive award pursuant to Olin's 2021 Long-Term Incentive Program with a target grant date value of $7,000,000 (such value to be determined in accordance with Olin's typical practices for similar awards), with such award value to be allocated 50% to stock options (not to exceed the annual per participant limits under Olin's 2021 Long Term Incentive Plan) and the balance to performance shares (with such performance shares divided equally between units awarded based on (i) relative total shareholder return and (ii) achievement of net income targets, each over a three year period).

In connection with the start of Mr. Lane's employment with Olin, the Offer Letter provides for a one-time grant of 200,000 restricted stock units (the "Initial Equity Award") under the Olin 2021 Long-Term Incentive Plan subject to the terms and conditions set forth in the award certificate and description attached to the Offer Letter. The Initial Equity Award will vest subject to Mr. Lane's continued employment at Olin over a three-year period.

Mr. Lane will be required to relocate to Olin's headquarters in Clayton, Missouri, in connection with his commencement of employment. In connection with such relocation, Mr. Lane will receive reimbursement under Olin's corporate relocation policy, which will be subject to repayment if he voluntarily terminates employment within 24 months of the Effective Date. The Offer Letter also provides that Mr. Lane will be eligible for certain other benefits generally provided to other senior executives of Olin, including eligibility for benefits under the Olin's Severance Plan for Section 16(b) Officers and the Olin's Change in Control Severance Plan for Section 16(b) Officers in connection with a qualified termination of his employment. As of the Effective Date, Mr. Lane will not receive any additional compensation from Olin for his service as a member of the Board.

In addition, as President and Chief Executive Officer, Mr, Lane will be subject to Olin's Management Stock Ownership Guidelines, as in effect from time to time which, based on current terms, will require Mr. Lane to hold shares of Olin common stock with a value of at least six times his annual base salary. He will have five years from the start of his employment to satisfy the guidelines.
