Item 1.01 Entry into a Material Definitive Agreement

Seaboard Corporation ("Seaboard") and Seaboard's wholly-owned subsidiary, Seaboard Foods LLC ("Seaboard Foods"), entered into a Second Amended and Restated Term Loan Credit Agreement dated November 10, 2023 ("Credit Agreement") among: Seaboard; Seaboard Foods; CoBank, ACB; Farm Credit Services of America, PCA; and the lenders party thereto. The Credit Agreement amended and restated the Amended and Restated Term Loan Credit Agreement dated September 25, 2018 to, among other things, increase Seaboard Foods' existing $700,000,000 unsecured term loan under the prior agreement to a new $975,000,000 unsecured term loan ("Term Loan") and extend the maturity date thereunder. Seaboard has guaranteed all obligations of Seaboard Foods under the Credit Agreement.

The Term Loan matures on November 10, 2033 and provides for quarterly amortization of the principal balance in the aggregate annual amount of approximately 1% in each year, with the balance due on the maturity date. The Term Loan bears interest at one of four options selected by Seaboard Foods, one being a fluctuating rate based on various margins over a Base Rate, a second being a fluctuating rate based on various margins over the Term SOFR Rate, a third being a fluctuating rate based on various margins over a Daily Simple SOFR Rate or a fourth being a fixed Quoted Rate, in each case, with such margins based on a debt-to-capitalization ratio and as set forth in the Credit Agreement.

The Credit Agreement contains customary covenants for credit facilities of this type, including restrictions on the ability of Seaboard, Seaboard Foods and Seaboard's other subsidiaries to: (i) grant liens on assets; (ii) incur indebtedness; and (iii) make certain acquisitions, investments and asset dispositions in excess of specified amounts. The Credit Agreement also includes restrictions on the ability of Seaboard and Seaboard Foods to: (i) make certain restricted payments and dividends and distributions to shareholders in excess of specified amounts; and (ii) enter into agreements that limit their ability to make dividends or distributions or transfer property to Seaboard, guarantee the indebtedness of Seaboard or grant liens on their assets. The Credit Agreement also restricts the ability of Seaboard to issue equity interests and contains financial covenants applicable to Seaboard involving (i) a maximum debt-to-capitalization ratio; and (ii) a minimum tangible net worth. The Credit Agreement requires mandatory prepayments in the event of certain equity issuances by Seaboard and asset dispositions, debt incurrences and casualty events by Seaboard, Seaboard Foods and Seaboard's other subsidiaries in excess of specified amounts.

The Credit Agreement provides for certain customary events of default, including among others, (i) non-payment of principal, interest or other amounts when due, inaccuracy of representations and warranties, violation of covenants, insolvency or inability to pay debts, bankruptcy or a change of control and (ii) cross defaults, judgments, uninsured casualty events, and certain ERISA events, in each case specified in (ii), in excess of a specified amount.

The foregoing description of the Credit Agreement does not purport to be complete and is subject to, and qualified in its entirety by, reference to the Credit Agreement, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant
