ITEM 7.01 Regulation FD Disclosure

On February 20, 2024, Truist Financial Corporation (“Truist”) announced that it had reached a definitive agreement to sell its remaining equity interests in its insurance brokerage subsidiary, Truist Insurance Holdings, LLC (“TIH”), to an investor group led by Stone Point Capital LLC, Clayton, Dubilier & Rice, LLC and Mubadala Investment Company (the “Transaction”). The parties expect to complete the Transaction during the second quarter of 2024, subject to certain regulatory reviews and approvals and the satisfaction of other customary closing conditions.

The Transaction represents a strategic shift materially impacting Truist's financial statements, and as a result, Truist is making certain financial reporting changes and reclassifications in the presentation of its financial statements to reflect the financial position and results of operations of TIH as discontinued operations. In advance of the publication of its unaudited financial statements for the first quarter of 2024 that will reflect the financial position and results of operations of TIH as discontinued operations, Truist is providing certain unaudited supplemental quarterly historical financial information for 2023 presented in a manner that conforms to the new financial statement presentation. The unaudited supplemental financial information is furnished as Exhibit 99.1 and incorporated by reference herein.

The unaudited supplemental historical financial information does not revise or restate the previously reported consolidated financial statements of Truist for any period. However, following the publication of its Form 10-Q for the quarterly period ended March 31, 2024, Truist expects to publish a Current Report on Form 8-K that recasts its consolidated financial statements for the year ended and as of December 31, 2023 to reflect TIH as discontinued operations for the historical periods presented in such financial statements.

The information provided pursuant to this Item 7.01, including the attached exhibit, is being furnished and shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section, nor shall it be deemed incorporated by reference into Truist’s other filings with the Securities and Exchange Commission, except as otherwise expressly stated in such filing. All information in this Current Report on Form 8-K and in the exhibit hereto speaks as of the date hereof and thereof, respectively, and Truist does not assume any obligation to update such information in the future. In addition, Truist disclaims any inference regarding the materiality of information in this Current Report on Form 8-K which otherwise may arise as a result of Truist furnishing such information under Item 7.01 of this Current Report on Form 8-K.
