Item 2.02 Results of Operations and Financial Condition

Today NIKE, Inc. (the "Company") issued a press release disclosing financial results for the fiscal quarter ended November 30, 2023. The text of the release is furnished herewith as Exhibit 99.1.

Item 2.05 Costs Associated with Exit or Disposal Activities

On December 21, 2023, the Company announced an enterprise initiative designed to accelerate its future growth. The Company is identifying opportunities to deliver up to $2 billion in cumulative cost savings over the next three years, which includes simplifying product assortment, increasing automation and use of technology, streamlining the organization, and leveraging scale to drive greater efficiency. As part of this initiative, on December 21, 2023, the Audit and Finance Committee of the Board of Directors of the Company approved steps to streamline the organization, which are expected to result in restructuring charges of approximately $400 million to $450 million, primarily associated with employee severance costs, to be largely recognized in the third quarter of fiscal year 2024 and to be substantially completed by the end of fiscal year 2024, subject to local law requirements. The expected pre-tax charges are estimates and are subject to a number of assumptions, including local law requirements in various jurisdictions. Actual charges may differ, possibly materially, from the estimates provided above.

Forward-looking statements include, without limitation, any statement that may predict, forecast, indicate or imply future results, performance or achievements, and may contain the words "believe," "anticipate," "expect," "estimate," "project," "will be," "will continue," "will likely result" or words or phrases of similar meaning and include statements regarding the Company's enterprise initiative, including the benefits thereof and the estimated charges resulting therefrom. Forward-looking statements involve risks and uncertainties which may cause actual results to differ materially from the forward-looking statements. The risks and uncertainties include, among others, the risk that the Company is not able to identify opportunities to deliver anticipated cost savings, risks related to the preliminary nature of the estimate of the charges to be incurred in connection with the enterprise initiative, which is subject to change as the Company refines the estimate over time, risks related to any delays in the timing for implementing the initiative or potential disruptions to the Company's business or operations as it executes on the initiative, and other factors that may cause the Company to be unable to achieve the expected benefits of the initiative, as well as the risks and uncertainties detailed from time to time in reports filed by the Company with the Securities and Exchange Commission, including reports filed on Forms 8-K, 10-Q and 10-K. The Company disclaims any obligation to update any forward-looking statements contained herein, except as required by law.
