Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On November 8, 2023, the board of directors (the "Board") of Lam Research Corporation (the "Company") amended and restated the Company's Amended and Restated Bylaws (the "Bylaws"), effective immediately, to, among other things:

- modify Section 2.7 to conform to recent changes to the Delaware General Corporation Law (the "DGCL") relating to the procedures for adjourning a meeting of stockholders, including an adjournment taken to address a technical failure to convene or continue a meeting using remote communication, and the notice requirements for the adjourned meeting;
- update Section 2.12 to require that a stockholder directly or indirectly soliciting proxies from other stockholders use a proxy card color other than white;
- remove the requirement in Section 2.13 that a list of all stockholders entitled to vote at a meeting of stockholders must be present and available for inspection during such meeting of stockholders, which is no longer required under the DGCL;
- revise Section 6.1 to ensure the Company is not obligated to indemnify officers for the loss of any erroneously awarded compensation (as defined in Nasdaq Listing Rule 5608) to comply with the final clawback rules adopted by the Securities and Exchange Commission under Section 10D and Rule 10D-1 of the Securities Exchange Act of 1934, as amended, and as set forth in Nasdaq Listing Rule 5608;
- adopt gender neutral terms when referring to particular positions, offices or title holders, including the adoption of the title chair in place of chairman; and
- include several immaterial modifications to provide additional clarity and consistency.

The foregoing description is qualified in its entirety by the Bylaws, which are attached hereto as Exhibit 3.1 and incorporated herein by reference.
