Item 8.01. Other Matters.

As previously disclosed, on August 7, 2023, Campbell Soup Company, a New Jersey corporation (the "**Company**"), entered into an Agreement and Plan of Merger (the "**Merger Agreement**") with Sovos Brands, Inc., a Delaware corporation ("**Sovos**"), and Premium Products Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of the Company ("**Merger Sub**"). The Merger Agreement provides, among other things, that subject to the satisfaction or waiver of the conditions set forth therein, including the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, Merger Sub will merge with and into Sovos (the "**Merger**") with Sovos surviving as a wholly owned subsidiary of the Company. As previously disclosed, on October 23, 2023, the Company and Sovos each received a request for additional information (the "**Second Request**") from the U.S. Federal Trade Commission (the "**FTC**") in connection with the FTC's review of the transactions contemplated by the Merger Agreement.

On February 13, 2024, the Company and Sovos issued a joint press release announcing that both companies have certified substantial compliance with the Second Request. A copy of the joint press release is furnished as Exhibit 99.1 hereto.

The certification of substantial compliance triggers the start of a 30-day waiting period which is expected to expire on March 11, 2024, after which the Merger can be consummated. Subject to the satisfaction or waiver of customary closing conditions set forth in the Merger Agreement, the Company and Sovos expect to complete the transaction within days of the March 11, 2024 expiration date.

Cautionary Note Regarding Forward-Looking Statements

Certain statements in this Current Report on Form 8-K regarding the Merger, including any statements regarding the expected timetable for completing the Merger and any other statements regarding future expectations, beliefs, plans, objectives, financial conditions, assumptions or future events or performance that are not historical facts are "forward-looking" statements made within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. The words "aim," "anticipate," "believe," "could," "ensure," "estimate," "expect," "forecasts," "if," "intend," "likely," "may," "might," "outlook," "plan," "positioned," "potential," "predict," "probable," "project," "should," "strategy," "target," "will," "would," and similar expressions, and the negative

thereof, are intended to identify forward-looking statements.

All forward-looking information is subject to numerous risks and uncertainties, many of which are beyond the control of the Company, that could cause actual results to differ materially from the results expressed or implied by the statements. These risks and uncertainties include, but are not limited to:

- the conditions to the completion of the Sovos transaction may not be satisfied on the anticipated schedule, or closing of the Sovos transaction may not occur;
- the timing to consummate the proposed transaction;
- the risk that the cost savings and any other synergies from the Sovos transaction may not be fully realized or may take longer or cost more to be realized than expected, including that the Sovos transaction may not be accretive within the expected timeframe or the extent anticipated;
- completing the Sovos transaction may distract the Company's management from other important matters; and
- other factors described in the Company's most recent Form 10-K and subsequent filings with the Securities and Exchange Commission (the "**SEC**").

Additional information concerning these and other risk factors can be found in the Company's and Sovos's filings with the SEC and available through the SEC's Electronic Data Gathering and Analysis Retrieval system at http://www.sec.gov, including the Company's and Sovos's most recent Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K

This discussion of uncertainties is by no means exhaustive but is designed to highlight important factors that may impact our outlook. The Company disclaims any obligation or intent to update the forward-looking statements in order to reflect events or circumstances after the date of this release.
