ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION

On August 22, 2023, the Company issued a press release announcing its results for the second fiscal quarter ended July 29, 2023 and certain other information that is furnished as Exhibit 99.1 to this Form 8-K.

ITEM 2.05. COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES

The Company has eliminated certain positions primarily at our customer support center on August 21, 2023 for which it expects to incur approximately $20 million of severance expense in the third quarter of 2023. These charges were included in the Company's outlook as provided on August 22, 2023, and will be excluded from the Company's outlook and results on a non-GAAP basis. Cash payments related to this expense are expected to be made over the next 12 months. Related cost savings are expected to be largely offset by strategic talent investments over the next twelve months.

This reduction in force is part of a business optimization of our organization to better align the Company's talent, organizational design and spending in support of its most critical strategies while also streamlining its overall cost structure. The Company announced this business optimization in its press release dated August 22, 2023. While the Company has not committed to specific additional actions at this time, it currently expects the business optimization to be completed during fiscal 2023 and may result in additional one-time charges of $25 million to $50 million. These potential actions were not contemplated as part of the Company's outlook as provided on August 22, 2023 and any related incremental charges will also be excluded from our results on a non-GAAP basis.
