Item 1.01 Entry into a Material Definitive Agreement.

On April 5, 2024, Amphenol Corporation (the "Company") issued and sold $450,000,000 aggregate principal amount of the Company's 5.050% Senior Notes due 2027 (the "2027 Notes"), $450,000,000 aggregate principal amount of the Company's 5.050% Senior Notes due 2029 (the "2029 Notes") and $600,000,000 aggregate principal amount of the Company's 5.250% Senior Notes due 2034 (the "2034 Notes" and, together with the 2027 Notes and 2029 Notes, the "Notes") pursuant to the Company's Registration Statement on Form S-3 (No. 333-270605), including the related prospectus dated March 16, 2023, as supplemented by the prospectus supplement dated April 2, 2024. The Notes were sold in an underwritten public offering pursuant to an underwriting agreement, dated April 2, 2024, by and between the Company and BofA Securities, Inc., Citigroup Global Markets Inc., J.P. Morgan Securities LLC and TD Securities (USA) LLC, as representatives of the several Underwriters named in Schedule A thereto.

The Company received net proceeds from the offering, after deducting the underwriting discounts and estimated offering expenses payable by the Company, of approximately $1,486.6 million. Absent a special mandatory redemption, the Company intends to use the net proceeds from the offering of the Notes, together with a combination of cash on hand and other debt financing, to pay the cash consideration for the Company's pending acquisition of the Carlisle Interconnect Technologies business of Carlisle Companies Incorporated (the "CIT Acquisition"), the payment of fees and expenses related thereto and, to the extent that the net proceeds from this offering are not used for such purposes, for general corporate purposes. If a special mandatory redemption event occurs, the Company will be required to redeem the Notes of each series in a special mandatory redemption, as further described below.

The Notes were issued pursuant to an indenture dated as of March 16, 2023 (the "Indenture") between the Company and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and certain of the terms of each series of the Notes were established pursuant to an Officers' Certificate dated April 5, 2024 (the "Officers' Certificate") in accordance with the Indenture. The Indenture and Officers' Certificate contain certain covenants and events of default and other customary provisions.

The 2027 Notes bear interest at a rate of 5.050% per year, the 2029 Notes bear interest at a rate of 5.050% per year and the 2034 Notes bear interest at a rate of 5.250% per year. Interest on the 2027 Notes is payable semi- annually on April 5 and October 5 of each year, beginning on October 5, 2024, interest on the 2029 notes is payable semi-annually on April 5 and October 5 of each year, beginning on October 5, 2024, and interest on the 2034 notes is payable semi-annually on April 5 and October 5 of each year, beginning on October 5, 2024. The Company will make each interest payment to the holders of record of the Notes on the immediately preceding March 21

and September 20. The 2027 Notes will mature on April 5, 2027, the 2029 Notes will mature on April 5, 2029 and the 2034 Notes will mature on April 5, 2034. Prior to March 5, 2027 (one month prior to the maturity date of the 2027 Notes), the Company may redeem, at its option, some or all of the 2027 Notes at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of redemption, plus a "make-whole" premium. On or after March 5, 2027 (one month prior to the maturity date of the 2027 Notes), the Company may redeem, at its option, the 2027 Notes in whole or in part, at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of redemption. Prior to March 5, 2029 (one month prior to the maturity date of the 2029 Notes), the Company may redeem, at its option, some or all of the 2029 Notes at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of redemption, plus a "make-whole" premium. On or after March 5, 2029 (one month prior to the maturity date of the 2029 Notes), the Company may redeem, at its option, the 2029 Notes in whole or in part, at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of redemption. Prior to January 5, 2034 (three months prior to the maturity date of the 2034 Notes), the Company may redeem, at its option, some or all of the 2034 Notes at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of redemption, plus a "make-whole" premium. On or after January 5, 2034 (three months prior to the maturity date of the 2034 Notes), the Company may redeem, at its option, the 2034 Notes in whole or in part, at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of redemption.

In addition, each series of the Notes will be subject to a special mandatory redemption (at a price equal to 101% of the principal amount of each series of the Notes, plus accrued and unpaid interest from the date of initial issuance, or the most recent date to which interest has been paid or provided for, whichever is later, to, but not including, the special mandatory redemption date) under certain circumstances if the CIT Acquisition is not consummated or is not consummated by an agreed upon date. The Notes are unsecured, unsubordinated and rank equally in right of payment with all of the Company's other unsecured unsubordinated senior indebtedness and senior obligations.

The above descriptions of the Indenture, the Officers' Certificate and the Notes are qualified in their entirety by reference to the Indenture, the Officers' Certificate, and, as applicable, the 2027 Notes, 2029 Notes and 2034 Notes, copies of which are attached as Exhibits 4.1, 4.2, 4.3, 4.4 and 4.5, respectively, to this Current Report on Form 8-K, and are incorporated by reference herein.
