Introductory Note

On August 18, 2023, Arsenal AIC Parent LLC ("Parent"), a Delaware limited liability company, completed the previously announced acquisition of Arconic Corporation, a Delaware corporation ("Arconic"), pursuant to the terms of the Agreement and Plan of Merger, dated as of May 4, 2023 (the "Merger Agreement"), by and among Arconic, Parent, and Arsenal AIC MergeCo Inc., a Delaware corporation and a wholly owned subsidiary of Parent ("Merger Sub"). Pursuant to the Merger Agreement, Merger Sub merged with and into Arconic (the "Merger"), with Arconic surviving the Merger as the surviving corporation and a wholly owned subsidiary of Parent. Parent and Merger Sub are affiliates of funds managed by affiliates of Apollo Global Management, Inc., and the transaction includes a minority investment from Irenic Capital Management LP.

At the effective time of the Merger (the "Effective Time"), subject to the terms and conditions of the Merger Agreement, each share of common stock, par value $0.01 per share, of Arconic (each such share, a "Share" and collectively, the "Arconic Common Stock") that was issued and outstanding immediately prior to the Effective Time (other than (a) Shares issued and outstanding immediately prior to the Effective Time that were owned or held in treasury by Arconic, or otherwise owned or held by any wholly owned subsidiary of Arconic or by Parent or any of its direct or indirect wholly owned subsidiaries (including Merger Sub), other than, in each case, Shares held in a fiduciary, representative or other capacity on behalf of third parties and (b) Shares that were issued and outstanding immediately prior to the Effective Time and were held by holders that did not vote in favor of the adoption of the Merger Agreement or consent thereto in writing and properly exercised appraisal rights with respect to such Shares in accordance with, and complied with, Section 262 of the General Corporation Law of the State of Delaware and did not fail to perfect, effectively withdraw or lose their right to appraisal and payment under Delaware law with respect to such Shares), were automatically converted into the right to receive $30.00 per share in cash, without interest (the "Merger Consideration").

At the Effective Time, on the terms and subject to the conditions of the Merger Agreement, each then-outstanding stock option award, restricted share unit award (a "Company RSU Award") (other than Company RSU Awards granted after the date of the Merger Agreement), deferred stock unit award and performance-based Company RSU Award (a "Company PSU Award") was cancelled in exchange for the Merger Consideration (less the applicable exercise price in the case of stock option awards). The number of Shares subject to each Company PSU Award was determined in accordance with the award agreements by deeming the applicable performance goals to be achieved at the target level of performance, provided that with respect to any Company PSU Award for which fifty percent or more of the applicable performance period was completed as of the Effective Time, the number of Shares was determined based on actual performance for the portion of the applicable performance period that elapsed prior to the Effective Time. Company RSU Awards granted on or after the date of the Merger Agreement (other than any such awards granted to non-employee members of the board of directors of Arconic, which were treated as described above) were cancelled and converted into a cash award equal to the product of (a) the number of Shares subject to such Company RSU Award as of immediately prior to the Effective Time multiplied by (b) the Merger Consideration, with such cash awards being subject to the same terms and conditions that applied to the Company RSU Award immediately prior to the Effective Time (including service-based vesting conditions).
