Item 1.01. Entry into a Material Definitive Agreement.

On September 18, 2023, Mohawk Industries, Inc., (the "Company") completed the issuance and sale of $600,000,000 aggregate principal amount of its 5.850% Senior Notes due 2028 (the "Notes") in a previously announced registered public offering. The offering of the Notes was made pursuant to the Company's shelf registration statement on Form S-3 (File No. 333-271495) filed with the Securities and Exchange Commission on April 28, 2023 and a preliminary prospectus supplement, dated September 11, 2023, and a prospectus supplement, dated September 11, 2023, related to the offering of the Notes, each as filed with the Securities and Exchange Commission.

The Notes are senior unsecured obligations of the Company and will rank equally in right of payment with all of the Company's other existing and future senior unsecured indebtedness.

The Notes were issued pursuant to an Indenture dated as of January 31, 2013 between the Company and U.S. Bank National Association, as trustee (the "Base Indenture"), as supplemented by a Fourth Supplemental Indenture dated as of September 18, 2023 between the Company and U.S. Bank Trust Company, National Association (as successor in interest to U.S. Bank National Association) (the "Supplemental Indenture" and, together with the Base Indenture, the "Indenture").

The Notes will bear interest at a rate of 5.850% per annum until the principal amount is paid or made available for payment. Interest on the Notes is payable semi-annually in arrears on March 18 and September 18 of each year, commencing on March 18, 2024, and the Notes mature on September 18, 2028.

The Company may redeem some or all of the Notes, at its option, at any time and from time to time on the terms set forth in the Indenture. Additionally, the holders of the Notes have the right to require the Company to purchase all or a portion of their Notes upon certain changes in control of the Company, as defined in the Indenture.

The Indenture contains certain covenants that, among other things and subject to a number of exceptions and qualifications, limit the Company's ability, and the ability of its subsidiaries, to create liens and to enter into sale and leaseback transactions and limit the Company's ability to consolidate, merge or transfer all or substantially all of its assets. The Indenture also contains certain customary events of default, including failure to make payments in respect of the principal amount of the Notes, failure to make payments of interest on the Notes when due and payable, failure to comply with certain covenants and agreements and certain events of bankruptcy or insolvency.

The foregoing summary is qualified in its entirety by reference to the full text of the Base Indenture, the Supplemental Indenture and the global note, which are filed as Exhibits 4.1, 4.2 and 4.3, respectively, to this Current Report on Form 8-K and are incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above is incorporated by reference into this Item 2.03.
