Item 8.01 Other Events.

On January 2, 2024, Enterprise Products Partners L.P. (the "Partnership"), Enterprise Products OLPGP, Inc. ("EPOGP") and Enterprise Products Operating LLC ("EPO") entered into an underwriting agreement (the "Underwriting Agreement") with MUFG Securities Americas Inc., Citigroup Global Markets Inc., Credit Agricole Securities (USA) Inc., PNC Capital Markets LLC and TD Securities (USA) LLC, as representatives of the several underwriters named on Schedule I thereto (the "Underwriters"), relating to the public offering of $1.0 billion principal amount of EPO's 4.60% senior notes due 2027 (the "Senior Notes HHH") and $1.0 billion principal amount of EPO's 4.85% senior notes due 2034 (the "Senior Notes III" and, together with the Senior Notes HHH, the "Notes"). The Notes are guaranteed on an unsecured and unsubordinated basis by the Partnership pursuant to a guarantee (the "Guarantee" and, together with the Notes, the "Securities"). Closing of the issuance and sale of the Securities is scheduled for January 11, 2024 (the "Closing").

The offering of the Securities (the "Offering") has been registered under the Securities Act of 1933, as amended (the "Securities Act"), pursuant to a Registration Statement on Form S-3 (Registration Nos. 333-261416 and 333-261416-01), as supplemented by the Prospectus Supplement dated January 2, 2024, relating to the Securities, filed with the United States Securities and Exchange Commission on January 3, 2024, pursuant to Rule 424(b) of the Securities Act (together with the accompanying prospectus dated November 30, 2021, the "Prospectus").

The Underwriting Agreement provides that the obligations of the Underwriters to purchase the Notes are subject to customary conditions. The Underwriters are obligated to purchase all of the Notes if they purchase any of the Notes. The Partnership, EPO and EPOGP have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities. The Underwriting Agreement also contains other customary representations, warranties and agreements. The summary of the Underwriting Agreement in this report does not purport to be complete and is qualified by reference to such agreement, which is filed as an exhibit hereto and incorporated herein by reference. The Underwriting Agreement contains representations, warranties and other provisions that were made or agreed to, among other things, to provide the parties thereto with specified rights and obligations and to allocate risk among them. Accordingly, the Underwriting Agreement should not be relied upon as constituting a description of the state of affairs of any of the parties thereto or their affiliates at the time it was entered into or otherwise.

The Prospectus provides that EPO expects to use the net proceeds from the Offering for (i) general company purposes, including for growth capital investments, and (ii) the repayment of debt (including the repayment of all or a portion of EPO's $850.0 million principal amount of 3.90% Senior Notes JJ due 2024 at their maturity in February 2024 and amounts outstanding under its commercial paper program). Certain of the Underwriters or their affiliates may hold EPO's commercial paper notes and/or its Senior Notes JJ to be repaid with proceeds from the Offering and, accordingly, may receive a substantial portion of the net proceeds from the Offering. In addition, certain of the Underwriters and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory, commercial banking and investment banking services for the Partnership and its affiliates, for which they received or will receive customary fees and expense reimbursement.

The Securities are to be issued under (a) the Indenture, dated as of October 4, 2004 (the "Original Indenture"), among EPO (as successor to Enterprise Products Operating L.P.), as issuer, the Partnership, as parent guarantor, and Wells Fargo Bank, National Association, as trustee (the "Original Trustee"), as amended and supplemented by (i) the Tenth Supplemental Indenture, dated as of June 30, 2007 (the "Tenth Supplemental Indenture"), providing for EPO as the successor issuer, and (ii) the Thirty-Sixth Supplemental Indenture, dated as of September 15, 2021 (the "Thirty-Sixth Supplemental Indenture"), among EPO, as issuer, the Partnership, as parent guarantor, the Original Trustee and U.S. Bank National Association, as separate trustee for the notes issued thereunder and debt securities subsequently issued under the Original Indenture (and as predecessor-in-interest to the Series Trustee (as defined below)), and (b) the Thirty-Eighth Supplemental Indenture, to be dated as of January 11, 2024 (the "Thirty-Eighth Supplemental Indenture" and, together with the Tenth Supplemental Indenture and the Thirty-Sixth Supplemental Indenture, the "Supplemental Indentures") among EPO, as issuer, the Partnership, as parent guarantor, and U.S. Bank Trust Company, National Association, as trustee (the "Series Trustee"). The terms of the Securities, the Original Indenture and the Supplemental Indentures are further described in the Prospectus under the captions "Description of the Notes" and "Description of Debt Securities," which descriptions are incorporated herein by reference and filed herewith as Exhibit 99.1. Such descriptions do not purport to be complete and are qualified by reference to the Original Indenture (which was filed under a Form 8-K on October 6, 2004), the Tenth Supplemental Indenture (which was filed under a Form 10-Q on August 8, 2007), the Thirty-Sixth Supplemental Indenture which was filed under a Form 8-K on September 15, 2021) and the Thirty-Eighth Supplemental Indenture (which will be filed under a Form 8-K after the Closing).
