Item 1.01 Entry into a Material Definitive Agreement.

As previously announced, on October 31, 2023, Lumen Technologies, Inc. (the "Company" or "Lumen") entered into a Transaction Support Agreement (the "Original Transaction Support Agreement") with (i) Level 3 Financing, Inc. ("Level 3"), (ii) Qwest Corporation ("Qwest", together with the Company and Level 3, the "Company Parties"), and (iii) certain holders of the debt of the Company and Level 3 (the "Original TSA Parties"). On January 22, 2024, the Company, Level 3, Qwest, the Original TSA Parties and certain other holders of the debt of the Company and Level 3 (such holders, together with the Original TSA Parties, the "Consenting Parties" and the Consening Parties, together with the Company Parties, the "Parties") entered into an Amended and Restated Transaction Support Agreement (together with all exhibits, annexes and schedules thereto, the "A&R Transaction Support Agreement").

The A&R Transaction Support Agreement, which amends and restates in its entirety the Original Transaction Support Agreement, defines the Parties' commitments to effect a series of transactions (the "TSA Transactions") set forth in the term sheet attached thereto (the "Term Sheet"), which transactions will provide the Company and Level 3 with comprehensive maturity extensions while allowing them to maintain sufficient operating liquidity and financial flexibility. Among other things and subject to the terms and conditions set forth therein, the A&R Transaction Support Agreement, including the Term Sheet, contemplates:

- the incurrence by Level 3 of $1.325 billion in new money long term senior secured first lien indebtedness, which indebtedness will be backstopped by certain of the Consenting Parties;
- a new revolving credit facility at Lumen in an amount expected to be approximately $1 billion;
- the extension of maturities, covenant modifications and rate increases of certain secured and unsecured indebtedness at the Company and Level 3 through a series of exchanges and other debt transactions with certain Consenting Parties as set forth in the Term Sheet; and
- the repayment of certain indebtedness at the Company and Qwest.

In addition, the A&R Transaction Support Agreement makes certain modifications to the TSA Trasactions set forth in the Term Sheet and extends the outside date for completion of the TSA Transactions to Feburary 29, 2024, which the Company may unilaterally extend at its discretion to March 31, 2024. The Company expects to consummate the TSA Transactions in the first quarter of 2024, subject to the satisfaction of limited remaining closing conditions.

The Company plans to make certain term loan transactions available to all holders in connection with the consummation of such transactions. The transactions related to certain notes of the Company and Level 3 will be executed on a privately negotiated basis under Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"). The Company does not plan to make such transactions available to all holders in connection with the consummation of such transactions. Following consummation of the TSA Transactions, the Company may assess potential follow-on transactions with respect to non-participating debt.

The A&R Transaction Support Agreement also contains certain representations, warranties and other agreements by the Parties. The representations, warranties and covenants of each Party set forth in the A&R Transaction Support Agreement have been made only for purposes of, and were and are solely for the benefit of, the Parties and may be subject to limitations agreed upon by the Parties. In addition, certain representations and warranties were made only as of the date of the A&R Transaction Support Agreement or such other date as is specified therein. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the A&R Transaction Support Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures. Accordingly, the A&R Transaction Support Agreement has been included with this filing only to provide investors with information regarding the terms of the A&R Transaction Support Agreement, and not to provide investors with any other factual information regarding the Parties, their respective affiliates or their respective businesses.

The foregoing description of the A&R Transaction Support Agreement is not complete and is qualified in its entirety by reference to the A&R Transaction Support Agreement, a copy of which is attached to this Current Report on Form 8-K as Exhibit 10.1 and incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.

The information contained in Item 7.01 of this Current Report on Form 8-K, including Exhibit 99.1, shall not be incorporated by reference into any filing of the Company, whether made before or after the date hereof, regardless of any general incorporation language in such filing, unless expressly incorporated by specific reference to such filing. The information in this Current Report on Form 8-K, including the exhibits hereto, shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section.
