Cautionary Note Regarding Forward-Looking Statements

This report and Exhibit 99.1 contain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 that involve substantial risks and uncertainties. All statements, other than statements of historical fact included in this report and in Exhibit 99.1 are forward-looking statements. You can identify forward-looking statements by the fact that they do not relate strictly to historical or current facts. These statements may include words such as "anticipate," "estimate," "expect," "project," "plan," "intend," "believe," "may," "outlook," "will," "should," "can have," "likely," and other words and terms of similar meaning in connection with any discussion of the timing or nature of future operating or financial performance or other events. For example, all statements the Company makes relating to investigations, their scope and results; the Company's or its segments' results, performance, outlook or targets; and the availability of 2023 results are forward-looking statements. All forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those that the Company expected. These forward-looking statements are not guarantees of future performance and involve risks, assumptions and uncertainties. These risks include the timing and completion of the investigations and any results thereof; changes to the Company's expected 2023 results; failure to report 2023 results and file required reports with the Securities and Exchange Commission (the "SEC") on a timely basis; the impact of the Company's announcements on the price of its common stock and the Company's relationships with investors, employees, suppliers and other parties; and other risks, assumptions and uncertainties that are described in Item 1A (Risk Factors) of the Company's most recent Annual Report on Form 10-K and in other documents that the Company files or furnishes with the SEC. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual outcomes may vary materially from those indicated or anticipated by such forward-looking statements. Accordingly, you are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date they are made. Except to the extent required by law, the Company does not undertake, and expressly disclaims, any duty or obligation to update publicly any forward-looking statement after the date of this report, whether as a result of new information, future events, changes in assumptions or otherwise.
