Item 7.01 - Regulation FD Disclosure

Officers of Elevance Health, Inc. (the "Company") will speak with investors over the next several weeks. During these meetings, Company officers intend to reaffirm the Company's net income guidance for full year 2024 to be greater than $34.29 per diluted share, including approximately $2.81 per diluted share of net unfavorable items. Excluding these items, the Company continues to expect adjusted net income to be greater than $37.10 per diluted share.

In addition, the Company officers will also report that the Centers for Medicare & Medicaid Services ("CMS") informed the Company that four of the Company's Medicare Advantage contracts will have a higher 2024 Star Rating because CMS updated the original ratings announced in October 2023. As a result, the Company now estimates it will have approximately 49% of its Medicare Advantage members enrolled in plans rated at least 4-Star for 2024 Star Ratings (payment year 2025), based on January 2024 enrollment. The Company estimates the financial benefit of the reconsideration decision on payment year 2025 revenue to be approximately $190 million.

None of the information furnished in Item 7.01 hereto shall be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended. Unless expressly set forth by specific reference in such filings, none of the information furnished in this report shall be incorporated by reference in any filing under the Securities Act of 1933, as amended, whether made before or after the date hereof and regardless of any general incorporation language in such filings.

FORWARD-LOOKING STATEMENTS

This document contains certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements reflect our views about future events and financial performance and are generally not historical facts. Words such as "expect," "feel," "believe," "will," "may," "should," "anticipate," "intend," "estimate," "project," "forecast," "plan" and similar expressions are intended to identify forward-looking statements. These statements include, but are not limited to: financial projections and estimates and their underlying assumptions; statements regarding plans, objectives and expectations with respect to future operations, products and services; and statements regarding future performance. Such statements are subject to certain risks and uncertainties, many of which are difficult to predict and generally beyond our control, that could cause actual results to differ materially from those expressed in, or implied or projected by, the forward-looking statements. You are cautioned not to place undue reliance on these forward-looking statements that speak only as of the date hereof. You are also urged to carefully review and consider the various risks and other disclosures discussed in our reports filed with the U.S. Securities and Exchange Commission from time to time, which attempt to advise interested parties of the factors that affect our business. Except to the extent required by law, we do not update or revise any forward-looking statements to reflect events or circumstances occurring after the date hereof.

These risks and uncertainties include, but are not limited to: trends in healthcare costs and utilization rates; reduced enrollment; our ability to secure and implement sufficient premium rates; the impact of large scale medical emergencies, such as public health epidemics and pandemics, including COVID-19, and other catastrophes; the impact of new or changes in existing federal, state and international laws or regulations, including laws and regulations impacting healthcare, insurance, pharmacy services and other diversified products and services, or their enforcement or application; the impact of cyber-attacks or other privacy or data security incidents or breaches or our failure to comply with any privacy, data or security laws or regulations, including any investigations, claims or litigation related thereto; information technology disruptions; changes in economic and market conditions, as well as regulations that may negatively affect our liquidity and investment portfolios; competitive pressures and our ability to adapt to changes in the industry and develop and implement strategic growth opportunities; risks and uncertainties regarding Medicare and Medicaid programs, including those related to non-compliance with the complex regulations imposed thereon; our ability to maintain and achieve improvement in Centers for Medicare and Medicaid Services Star ratings and other quality scores and funding risks with respect to revenue received from participation therein; a negative change in our healthcare product mix; costs and other liabilities associated with litigation, government investigations, audits or reviews; our ability to contract with providers on cost-effective and competitive terms; failure to effectively maintain and modernize our information systems; risks associated with providing healthcare, pharmacy and other diversified products and services, including medical malpractice or professional liability claims and non-compliance by any party with the pharmacy services agreement between us and CaremarkPCS Health, L.L.C.; risks associated with mergers, acquisitions, joint ventures and strategic alliances; possible impairment of the value of our intangible assets if future results do not adequately support goodwill and other intangible assets; possible restrictions in the payment of dividends from our subsidiaries and increases in required minimum levels of capital; our ability to repurchase shares of our common stock and pay dividends on our common stock due to the adequacy of our cash flow and earnings and other considerations; the potential negative effect from our substantial amount of outstanding indebtedness and the risk that increased interest rates or market volatility could impact our access to or further increase the cost of financing; a downgrade in our financial strength ratings; the effects of any negative publicity related to the health benefits industry in general or us in particular; events that may negatively affect our licenses with the Blue Cross and Blue Shield Association; intense competition to attract and retain employees; risks associated with our international operations; and various laws and provisions in our governing documents that may prevent or discourage takeovers and business combinations.
