The Credit Agreement provides for a senior revolving credit facility (the "Senior Revolving Credit Facility") in an aggregate principal amount of $1.0 billion, including borrowings and letters of credit available in U.S. dollars, Euro, Sterling, Swiss Francs and Canadian dollars.

Interest on outstanding loans under the Senior Revolving Credit Facility accrues at a per annum rate equal to (i) an applicable margin plus (ii) (a) with respect to U.S. dollar denominated loans, at the Company's option, either Adjusted Term SOFR (as defined in the Credit Agreement) or Base Rate (as defined in the Credit Agreement), (b) with respect to Euro denominated loans, the Eurocurrency Rate (as defined in the Credit Agreement), (c) with respect to Sterling denominated loans, SONIA (as defined in the Credit Agreement), (d) with respect to Swiss Franc denominated loans, SARON (as defined in the Credit Agreement), and (e) with respect to Canadian dollar denominated loans, Adjusted Term CORRA (as defined in the Credit Agreement). The applicable margin is based on the then-applicable debt ratings of the Company and ranges between 0.805% to 1.225% (or, in the case of Base Rate Loans (as defined in the Credit Agreement), 0.00% to 0.225%). The Credit Agreement includes provisions to address the unavailability of any interest rate benchmark.

The lenders under the Credit Agreement and their affiliates have provided investment banking, financial advisory and other services to the Company for customary fees and reimbursement of expenses, and those lenders may, from time to time, continue to do so. Neither the Originators nor the SPV guarantees the collectability of the receivables under the A/R Facility.

The SPV's sole business consists of the purchase or acceptance through capital contributions of the receivables and related rights from the Originators and the subsequent retransfer of or granting of a security interest in such receivables and related rights to the Purchasers. The SPV is a separate legal entity with its own separate creditors who will be entitled, upon its liquidation, to be satisfied out of the SPV's assets prior to any assets or value in the SPV becoming available to the SPV's equity holders.
