Item 1.01. Entry into a Material Definitive Agreement

Underwriting Agreement

On March 26, 2024, Marathon Oil Corporation ("MRO" or the "Company") entered into an underwriting agreement (the "Underwriting Agreement"), by and among the Company, J.P. Morgan Securities LLC, Morgan Stanley & Co. LLC, Mizuho Securities USA LLC, MUFG Securities Americas Inc. and SMBC Nikko Securities America, Inc., as representatives of the several underwriters named therein (the "Underwriters"), pursuant to which it agreed to offer to the public $600,000,000 aggregate principal amount of its 5.300% Senior Notes due 2029 (the "2029 Notes") and $600,000,000 aggregate principal amount of its 5.700% Senior Notes due 2034 (the "2034 Notes," and, together with the 2029 Notes, the "Notes") under its automatic shelf registration statement on Form S-3 (No. 333-269135), which was filed and deemed automatically effective by the Securities and Exchange Commission (the "SEC") on January 5, 2023. The aggregate proceeds from the offering, net of the Underwriters' discounts and the Company's offering expenses, will be used, together with cash on hand, to fund the repayment in full of outstanding borrowings under the Company's term loan facility.

The Underwriting Agreement contains customary representations, warranties and agreements of the Company and other customary obligations of the parties and termination provisions. The Underwriting Agreement also provides for the indemnification by the Company of the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the "Securities Act").

The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the Underwriting Agreement, which is filed as Exhibit 1.1 hereto and is incorporated herein by reference.

The Underwriters and their respective affiliates are full-service financial institutions engaged in various activities, which may include sales and trading, commercial and investment banking, advisory, consulting, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. Certain of the Underwriters and their respective affiliates have provided, and may in the future provide, a variety of these services to the Company and to persons and entities with relationships with the Company for which they received or will receive customary fees and expenses. In particular, certain of the Underwriters or their respective affiliates are administrative agents, documentation agents, syndication agents, issuing banks, arrangers, bookrunners and/or lenders under the Company's credit facilities, including the term loan facility that will be repaid with the net proceeds from the offering. Certain of the Underwriters or their affiliates that have a lending relationship with the Company routinely hedge, and certain other of those Underwriters or their affiliates may hedge, their credit exposure to the Company consistent with their customary risk management policies. An affiliate of one of the Underwriters, BNY Mellon Capital Markets, LLC, is the trustee for the Notes.

Indenture and Notes

On March 28, 2024, the Company completed the public offering of the Notes. The Notes were issued pursuant to an Indenture, dated February 26, 2002, between the Company and The Bank of New York Mellon Trust Company, N.A., successor in interest to JPMorgan Chase Bank, as trustee, relating to the Company's senior debt securities (the "Indenture"). Each series of Notes is unsecured, unsubordinated obligations of the Company and rank equally with all of its existing and future unsecured and unsubordinated indebtedness. The terms of the 2029 Notes (the "Terms of the 2029 Notes") and the terms of the 2034 Notes (the "Terms of the 2034 Notes," and, together with the Terms of the 2029 Notes, the "Terms of the Notes") were set forth in an officers' certificate, dated March 28, 2024, delivered pursuant to the Indenture.

The Company will pay interest on the Notes on April 1 and October 1 of each year, beginning on October 1, 2024. The 2029 Notes will mature on April 1, 2029 and the 2034 Notes will mature on April 1, 2034. The Company may redeem some or all of the Notes at any time at the redemption prices set forth in each respective Terms of the Notes.

The foregoing descriptions of the Terms of the Notes and the form of the Notes do not purport to be complete and are qualified in their entirety by reference to the complete terms and conditions of the Indenture, the 2029 Terms of the Notes, the 2034 Terms of the Notes, the form of the 2029 Notes included in the 2029 Terms of the Notes and the form of 2034 Notes included in the 2034 Terms of the Notes, as applicable, which are filed as Exhibit 4.1, 4.2, 4.3, 4.4 and 4.5, respectively, to this Current Report on Form 8-K and are incorporated by reference herein.
