Item 1.01 Entry Into a Material Definitive Agreement.

See Item 2.03 below.

Item 1.02 Termination of a Material Definitive Agreement

On March 28, 2024, the Company terminated its $3.0 billion 364-Day Delayed Draw Term Loan Credit Agreement, dated as of November 29, 2023, with Bank of America, N.A., as administrative agent, and the other lenders named therein (the "November Facility").

A description of the terms of the November Facility is set forth under Item 1.01 of the Company's Form 8-K filed November 29, 2023, and is incorporated by reference into this Item 1.02. Under its terms, the November Facility was due to expire on November 27, 2024. The Company did not have any borrowings outstanding under the November Facility, and the Company did not incur any early termination penalties in connection with the termination of the Facility. Some of the lenders under the November Facility, and their affiliates, are lenders under the Renewed Facility (defined below), and have various other relationships with the Company and its subsidiaries involving the provision of financial services, including lending, cash management, investment banking, trust services, and foreign exchange and other derivative arrangements.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On March 28, 2024, General Motors Company ("GM") entered into a Sixth Amended and Restated 364-Day Revolving Credit Agreement with JPMorgan Chase Bank, N.A., as administrative agent, Citibank, N.A., as syndication agent, Bank of America, N.A., as co-syndication agent, and the lenders named therein (the "Renewed Facility"). The Renewed Facility is unsecured and consists of a 364-day, $2.0 billion facility and matures on March 27, 2025.

The Renewed Facility is available to GM as well as certain of its wholly owned subsidiaries. However, GM has allocated the Renewed Facility for exclusive use by General Motors Financial Company, Inc. The Renewed Facility allows for borrowing in U.S. Dollars only. GM has guaranteed the obligations of subsidiary borrowers under the Renewed Facility.

Interest rates on obligations under the Renewed Facility are based on prevailing annual interest rates for Term SOFR loans, Daily Simple SOFR loans or an alternative base rate, each subject to an applicable margin. This applicable margin will be based upon the credit rating assigned to the Renewed Facility or to senior, unsecured long-term indebtedness of GM.

The Renewed Facility contains representations, warranties and covenants that are typical for this type of facility. These covenants include restrictions on mergers or sales of assets and secured debt borrowings, subject to exceptions and limitations. The Renewed Facility also requires that GM maintain at least $4.0 billion in global liquidity and at least $2.0 billion in U.S. liquidity.

Certain of the lenders under the Renewed Facility and/or their affiliates have various relationships with GM and its subsidiaries involving the provision of financial services, including cash management, investment banking, trust and leasing services, and foreign exchange and other derivative arrangements.

The foregoing description does not constitute a complete summary of the Renewed Facility and is qualified in its entirety by reference to the text of the Renewed Facility filed herewith.
