Item 7.01. Regulation FD Disclosure.

As previously reported in the Annual Report on Form 10-K for the fiscal year ended December 31, 2023 (the “2023 Form 10-K”), filed with the U.S. Securities and Exchange Commission on February 8, 2024 by Philip Morris International Inc. (the “Company” or "PMI"), following the combination and the progress in 2023 toward the integration of the Swedish Match business into the existing PMI regional structure, the Company is updating its segment reporting by including its Swedish Match segment results into the four existing geographical segments, and that as of the first quarter of 2024, PMI will begin to report on this basis. The four existing geographical segments are as follows:

- The Europe Region;
- The South & Southeast Asia, Commonwealth of Independent States and Middle East & Africa Region (“SSEA, CIS & MEA");
- The East Asia, Australia & PMI Duty Free Region (“EA, AU & PMI DF”); and
- The Americas Region.

The Wellness and Healthcare segment will remain unaffected.

On February 27, 2024, the Company posted on its website certain recast historical shipment volume and financial information that reflects the change in reporting segments described above.

The unaudited recast historical information is being furnished solely to aid investors by providing supplemental information, has no impact on the Company's previously reported consolidated financial position or results of operations, and does not represent a restatement of the Company's previously issued consolidated financial statements that were included in the 2023 Form 10-K. The Company's 2023 and 2022 quarterly and annual recast shipment volume and financial information, previously presented in earnings releases for the same periods, as well as other financial information, is furnished herewith as Exhibit 99.1 and is incorporated in this Item 7.01 by reference. The Company's 2022 and 2021 recast shipment volume and financial information, previously presented in earnings releases for the same periods, as well as other financial information, is furnished herewith as Exhibit 99.2 and is incorporated in this Item 7.01 by reference. As presented in Exhibits 99.1 and 99.2 to this Form 8-K, shipment volumes and financial information for PMI on a consolidated basis do not differ from previously disclosed results.

Key terms, definitions and explanatory notes, as well as reconciliations of non-GAAP financial measures to the most directly comparable GAAP measures are set forth on Exhibits 99.1 and 99.2.

In accordance with General Instruction B.2 of Form 8-K, the information in Item 7.01 of this Current Report on Form 8-K, including Exhibits 99.1 and 99.2 hereto, is incorporated by reference herein and is being “furnished” to the Securities and Exchange Commission and shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. The information in Item 7.01 of this Current Report on Form 8-K shall not be incorporated by reference into any filing or other document pursuant to the Securities Act of 1933, as amended, except as may be expressly set forth by specific reference in such filing or document.

Item 9.01. Financial Statements and Exhibits.
