Item 2.02 Results of Operations and Financial Condition.

On January 23, 2024, eBay Inc. (the "Company" or "eBay") announced a restructuring plan (the "Plan") intended to reduce operating costs, improve operating efficiency and better align the Company's talent with its strategic priorities to drive long-term sustainable growth. In addition to this announcement, the Company confirmed that it expects that its financial results for the quarter and year ended December 31, 2023 will be at least consistent with or, in the case of some measures, slightly above, the higher end of the guidance for the quarter and year ended December 31, 2023 that was previously provided by the Company in its last earnings announcement in November 2023.

The information in this Item 2.02 of this report is being furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that Section, and shall not be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended (the "Securities Act"), regardless of any general incorporation language in such filing, unless expressly incorporated by specific reference in such filing.

Item 2.05 Costs Associated with Exit or Disposal Activities.

On January 23, 2024, the Company announced the Plan, which includes a reduction of the Company's current workforce by approximately 1,000 employee roles, or 9%. Decisions regarding the elimination of positions are subject to local law and consultation requirements in certain countries, as well as the Company's business needs.

In connection with the Plan, the Company currently estimates that it will incur GAAP pre-tax charges in the range of $90 million to $110 million, substantially all of which are expected to be related to severance payments and post-employment benefits. The majority of these charges will be recognized as incurred during the fourth quarter of 2023, and the full amount of these charges is expected to result in future cash expenditures.

The actions associated with the employee restructuring under the Plan are expected to be substantially complete by the end of the second quarter of 2024, subject to local law and consultation requirements and the Company's business needs. The Company expects that expense savings resulting from the Plan will be used to further eBay's strategic and operating initiatives, including previously stated ambitions to grow expenses more slowly than revenue in 2024.

In addition, the Company may incur other charges or cash expenditures not currently contemplated due to unanticipated events that may occur, including in connection with the implementation of the Plan.

Item 8.01 Other Events.

On January 23, 2024, the Company announced the Plan internally with a letter to Company employees from Jamie Iannone, its President and Chief Executive Officer, which is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein by reference.

Cautions Regarding Forward Looking Statements

This Current Report on Form 8-K contains "forward-looking statements" within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act, including, but not limited to, statements related to the Company's expected financial results for the fourth quarter and full year 2023, the expected benefits of and timing of completion of the Plan, the magnitude of the workforce reduction under the Plan, the expected magnitude, type and timing of costs and charges in connection with the Plan, the expectation that there will be expense savings resulting from the Plan, the Company's intended use of such expense savings resulting from the Plan and the Company's ability to grow expenses more slowly than revenue in 2024. Words such as "expects," "anticipates," "aims," "projects," "intends," "plans," "believes," "estimates," "seeks," "assumes," "may," "should," "could," "would," "foresees," "forecasts," "predicts," "targets," "commitments," variations of such words and similar expressions are intended to identify such forward-looking statements. Forward-looking statements are subject to the occurrence of many events outside of the Company's control. Actual results and the timing of events may differ materially from those contemplated by such forward-looking statements due to numerous factors that involve substantial known and unknown risks and uncertainties. These risks and uncertainties include, among other things, the risk that the restructuring costs and charges may be greater than anticipated; the risk that the Company's restructuring efforts may be distracting to employees and management and adversely affect the Company's internal programs and the Company's ability to attract and retain the highly skilled employees the Company needs to support its business; the risk that the Company's restructuring efforts may negatively impact the Company's revenue, business operations and reputation with or ability to serve buyers and sellers; the risk that the Company's restructuring efforts (including the use of any expense savings therefrom) and the Company's strategic and operating initiatives may not generate their intended benefits to the extent or as quickly as anticipated; and other risks and uncertainties discussed in the reports on Forms 10-K, 10-Q and 8-K and in other filings the Company makes with the Securities and Exchange Commission from time to time, available at www.sec.gov. Forward-looking statements should be considered in light of these risks and uncertainties. Investors and others are cautioned not to place undue reliance on forward-looking statements.
