Item 1.01. ***Entry into a Material Definitive Agreement***

The information required by this item is included in Item 2.03 below and is incorporated herein by reference.

Item 2.03. ***Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant***

On February 8, 2024 (the "Closing Date"), Science Applications International Corporation ("SAIC") entered into the Sixth Amendment (the "Amendment") to the Third Amended and Restated Credit Agreement, dated as of October 31, 2018, as amended by the First Amendment, dated as of February 19, 2020, as further amended by the Second Amendment, dated as of March 13, 2020, as further amended by the Third Amendment, dated as of March 1, 2021, as further amended by the Fourth Amendment, dated as of July 2, 2021, and as further amended by the Fifth Amendment, dated as of June 30, 2022 (the "Existing Credit Agreement"), among SAIC, as borrower, Citibank, N.A., as administrative agent and collateral agent, and certain other lenders and parties thereto. The Amendment established a new senior secured term loan “B” credit facility commitment in the amount of $510,250,000 (the "Tranche B3 Loans"). The entirety of the new Tranche B3 Loans were borrowed by SAIC on the Closing Date, the proceeds of which were used to refinance all existing Tranche B Loans and Tranche B2 Loans outstanding immediately prior to giving effect to the Amendment.

The new Tranche B3 Loans will bear interest at a variable rate of interest based on the Term Secured Overnight Financing Rate ("Term SOFR") or a base rate, plus an applicable margin of 1.875% for Term SOFR loans and 0.875% for base rate loans. The new Tranche B3 Loans will amortize quarterly beginning on July 31, 2024 at 0.25% of the original borrowed amount thereunder with the remaining unamortized balance due in full upon maturity on February 08, 2031. In the event any portion of the Tranche B3 Loans is repaid prior to August 8, 2024 as a result of a "Repricing Event" (as defined in the Amendment), the Company will be required to pay a 1.00% fee of the amount repaid. After this initial six month period, the new Tranche B3 Loans may be prepaid at any time without penalty and are subject to the same mandatory prepayments, including from excess cash flow, as the Company’s prior term loans under the Existing Credit Agreement. The new Tranche B3 Loans are secured by substantially all of the assets of the Company and the Company’s wholly owned domestic subsidiaries, and is guaranteed by each of the Company’s wholly owned domestic subsidiaries. The new Tranche B3 Loans will be subject to the same covenants and events of default as the Company’s term loans under the Existing Credit Agreement.

The Sixth Amendment also contains certain other conforming amendments. The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, a copy of which is filed as Exhibit 10.1 hereto and incorporated by reference in this Current Report on Form 8-K Item 9.01.
