Item 2.05. Costs Associated with Exit or Disposal Activities.

On January 19, 2024, Wayfair announced a workforce reduction involving approximately 1,650 employees, representing approximately 13% of our global workforce and approximately 19% of our corporate team, in each case as of December 31, 2023. These changes reflect efforts to reshape the organization by streamlining our structure and reducing seniority levels across departments.

As a result of this workforce reduction, we expect to incur between approximately $70 million and $80 million of costs, consisting primarily of employee severance and benefit costs, most of which are expected to be incurred in the first quarter of 2024. The foregoing estimated amounts do not include any non-cash charges associated with equity-based compensation. These estimates are subject to a number of assumptions and actual results may differ materially. The Company may also incur charges and expenditures not currently contemplated due to unanticipated events that may occur in connection with the reduction.

Item 7.01. Regulation FD Disclosure.

On January 19, 2024, the Company issued a press release announcing a workforce realignment plan. A copy of the press release is furnished as Exhibit 99.1 and is incorporated herein by reference.

The information furnished in this Item 7.01 (including Exhibit 99.1) shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly provided by specific reference in such a filing.
