Introductory Note

As discussed in further detail below, on December 7, 2023, Avantor, Inc. (the "Company") issued a press release (the "Press Release") announcing a realignment of its current reportable business segments from three geographic segments to two complementary new business segments along with associated changes to the Company's executive team and the development of a global cost optimization initiative. The Company will discuss these developments at its Investor Day, which is being held at the New York Stock Exchange on December 8, 2023.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

In connection with its planned business segment realignment, on December 1, 2023, the Company informed each of Sheri Lewis, the Company's Executive Vice President, Global Supply Chain, and Frederic Vanderhaegen, the Company's Executive Vice President, Europe, that each would depart from the Company in 2024 after supporting the Company's transition to its new operating model.

Item 7.01. Other Events

As discussed above under "Introductory Note" (and incorporating that disclosure into this Item 7.01), the Company announced that it will realign its business units, effective the first quarter of 2024. Under the realigned segment reporting structure, the Company's reportable business segments will be Laboratory Solutions and Bioscience Production.

Effective with the reporting of first quarter 2024 results, the Company will report its financial performance based on these two reporting segments. To provide historical information on a basis consistent with this new reporting structure, the Company intends to make available two years of historical financial statements reflecting the new business segments in February 2024 to assist with comparability of information to be presented in accordance with the new business segments.

Item 9.01. Financial Statements and Exhibits.
